INTRODUCTION.

The City has annually since 1821 issued a volume containing, until 1829, a register of the City Council and a list of the officers. In 1829, the City Charter, in 1830, the Acts relating to Boston and the ordinances, and in 1832, an index were added. The volume for 1822 contains fifteen pages, and for 1840 eighty-five pages, and three pages of index. The volumes up to and including 1840 bear the title of The Rules and Orders of the Common Council, and since that year the title of THE MUNICIPAL REGISTER. THE MUNICIPAL REGISTER for 1841 contains the Rules and Orders of the Common Council, joint rules, ordinances of the City, statutes of the Commonwealth relating to the City, a list of the public schools, the City Government of 1841, the committees and departments (consisting at that time of the treasury, law, police, health, public land and buildings, lamps and bridges, fire, and public charitable institutions), and a list of the ward officers; from 1842 to 1864, it also contains a list of the members of preceding City Governments, a necrological record of those members, the latest ordinances and the special statutes relating to the City; in 1851 a list of the annual orators was added, and in 1853 a map of the City and the Rules of the Board of Aldermen were inserted; in 1876 statistics of registration and voting were included, and since 1879 in tabulated form; in 1883 portraits of the Mayor and presiding officers of the two branches of the City Council were included, and in 1888 a list of the members of the past City Governments of Roxbury and Charlestown was added, and continued to 1890. From 1889 to 1896, inclusive, THE MUNICIPAL REGISTER contained a compilation of the Charter and Acts subsequently passed, in the place of which an index of said Charter and Acts was substituted in 1897. The Boston charter and index are again omitted this year, otherwise THE MUNICIPAL REGISTER of this year is in substantially the form of all other MUNICIPAL REGISTERS since 1889.

By the direction of the Joint Committee on Rules and Orders THE MUNICIPAL REGISTER of 1901 has been compiled by the Statistics Department. Text and tables have been revised, and several new tables have been added.

ORIGIN

OF

THE CITY OF BOSTON.

Boston received its name by an order of the Court of Assistants passed September 17 (7, O. S.), 1630, "that Trimontaine shalbe called Boston;" and was incorporated as The City of Boston, February 23, 1822, by St. 1821, c. 110, adopted March 4, 1822. This act was revised by St. 1854, c. 448, commonly called the City Charter, adopted November 13, 1854.

Brighton was incorporated a Town, February 24, 1807, by St. 1806, c. 65, and annexed to Boston, January 5, 1874, by St. 1873, c. 303, accepted October 7, 1873.

Charlestown was settled July 4, 1629; was incorporated a City, February 22, 1847, by St. 1847, c. 29, accepted March 10, 1847; and was annexed to Boston, January 5, 1874, by St. 1873, c. 286, accepted October 7, 1873.

Dorchester received its name by an order of the Court of Assistants, passed September 17 (7, O. S.), 1630. It was annexed to Boston, January 3, 1870, by St. 1869, c. 349, accepted June 22, 1869.

Roxbury received its name by an order of the Court of Assistants, passed October 8, 1630. It was incorporated a City, March 12, 1846, by St. 1846, c. 95, accepted March 25, 1846; and annexed to Boston, January 6, 1868, by St. 1867, c. 359, accepted September 9, 1867.

West Roxbury was incorporated a Town, May 24, 1851, by St. 1851, c. 250; and annexed to Boston, January 5, 1874, by St. 1873, c. 314, accepted October 7, 1873.

THE CITY SEAL

As it appeared prior to 1827.

The City Seal was adopted by "An Ordinance to Establish the City Seal," passed January 2, 1823, which provides "That the design hereto annexed, as sketched by John R. Penniman, giving a view of the City, be the device of the City Seal; that the motto be as follows, to wit: 'Sicut patribus sit Deus nobis'; and that the inscription be as follows: — 'Bostonia condita, A.D. 1630. Civitatis regimine donata, A.D. 1822.'" The motto is taken from 1 King's, viii. 57.

The seal as it then appeared is shown above.

The seal as it was afterwards changed, and has ever since continued to be used, first appeared on page 221 of the volume of laws and ordinances, commonly known as the "First Revision," published in 1827, and is continued as the City Seal at the present time by Revised Ordinances of 1898, Chapter 1, Section 5, which provides that "The seal of the City shall be circular in form; shall bear a view of the City; the motto 'SICUT PATRIBUS SIT DEUS NOBIS,' and the inscription, 'BOSTONIA CONDITA, A.D. 1630. CIVITATIS REGIMINE DONATA, A.D. 1822,' as herewith set forth."

The seal as changed in 1827, and as it has ever since appeared, is shown opposite the title page.

RULES AND ORDERS.

RULES OF THE BOARD OF ALDERMEN.

CHAIRMAN.

RULE 1. The chairman of the board shall take the chair at the hour to which the board shall have adjourned, and shall call the members to order, and, a quorum being present, shall cause the minutes of the preceding regular meeting to be read; and, in the absence of the chairman, the senior member present shall preside as chairman *pro tempore*.

RULE 2. The chairman shall preserve decorum and order, may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the board; and no other business shall be in order until the question on appeal shall have been decided.

RULE 3. The chairman shall propound all motions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that, in naming sums and fixing times, the largest sum and longest time shall be put first.

RULE 4. The chairman shall, at the request of any member, make a division of a question when the sense will admit.

RULE 5. The chairman shall, without debate, decide all questions relating to priority of business to be acted upon.

RULE 6. The chairman shall declare all votes; but if any member doubts a vote, the chairman shall cause a rising vote to be taken; and when any member so requests, shall cause the vote to be taken or verified by yeas and nays.

RULE 7. The chairman shall appoint all committees, fill all vacancies therein, and designate the rank of the members thereof.

RULE 8. When the chairman of the board or the chairman *pro tempore* shall desire to vacate the chair, he may call any member to it; but such substitution shall not continue beyond an adjournment.

MOTIONS.

RULE 9. Every motion shall be reduced to writing if the chairman shall so direct.

RULE 10. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not preclude amendment, or a motion to strike out and insert.

RULE 11. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

RULE 12. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:

1. To a standing committee of the board.
2. To a special committee of the board.
3. To a joint standing committee.
4. To a joint special committee.

RULE 13. After a motion has been put by the chairman, it shall not be withdrawn except by unanimous consent.

RULE 14. When a question is under debate the following motions only shall be entertained, and in the order in which they stand arranged:

1. To adjourn.
2. To lay on the table.
3. To postpone to a day certain.
4. To commit.
5. To amend.
6. To postpone indefinitely.

RULE 15. A motion to adjourn shall be in order at any time, except on an immediate repetition, or pending a verification of a vote; and that motion, the motion to lay on the table, and the motion to take from the table, shall be decided without debate.

READINGS.

RULE 16. Every ordinance, order and resolution reported by a committee shall, unless rejected, have two several readings, both of which may take place at the same session, unless objection is made. Whenever the second reading immediately follows the first reading, the document may be read by its title only. Orders from the board of street commissioners changing the names of streets, and orders granting locations for poles or posts, shall, however, have one reading only at the same session.

CONFIRMATIONS.

RULE 17. The question of confirming a nomination made by the mayor shall be decided by a yea and nay ballot.

RECONSIDERATION.

RULE 18. When a vote has been passed, any member may move a reconsideration thereof at the same meeting; or he may give notice to

the clerk, within twenty-four hours of the adjournment, of his intention to move a reconsideration at the next regular meeting; in which case the clerk shall retain possession of the papers until the next regular meeting; and when a motion for reconsideration is decided, that vote shall not be reconsidered.

CONDUCT OF MEMBERS.

RULE 19. Every member when about to speak shall rise, address the chair, and wait until he is recognized, and in speaking shall confine himself to the question, and avoid personalities.

RULE 20. No member speaking shall, without his consent, be interrupted by another, except upon a point of order.

RULE 21. No member shall be permitted to vote on any question, or serve on any committee, where his private right is immediately concerned, distinct from the public interest.

RULE 22. Every member who shall be present when a question is put, where he is not excluded by interest, shall give his vote, unless the board for special reasons shall excuse him. Application to be so excused on any question must be made before the board is divided, or before the calling of the yeas and nays; and such application shall be accompanied by a brief statement of the reasons, and shall be decided without debate.

STANDING COMMITTEES.

RULE 23. The following standing committees of the board, to consist of five members each, except where otherwise herein provided, and the members of the joint standing committees on the part of this board, named in the joint rules and orders of the city council, and all other committees, unless otherwise provided for, or specially directed by the board, shall be appointed by the chair:

Committee on Armories and Military Affairs — County Accounts — Electric Wires — Faneuil Hall and County Buildings — Lamps — Licenses — Markets — Railroads — Public Improvements, to consist of all the members of the board, and to be divided by the chairman of the committee into the following sub-committees, namely, Paving Division, Sewer Division, Street-Watering Division, Bridge Division, Sanitary Division, Street-Cleaning Division and Ferry Division.

ORDER OF BUSINESS.

RULE 24. At every regular meeting of the board the order of business shall be as follows:

1. Communications from his honor the mayor.
2. Hearings.
3. Presentation of petitions, memorials, and remonstrances.
4. Papers from the common council.

5. Unfinished business of preceding meetings.
6. Orders of notice of hearings.
7. Reports of city officers.
8. Reports of committees.
9. Motions, orders and resolutions.

REPORTS OF COMMITTEES.

RULE 25. Committees of the board, to whom any matter is especially referred, shall report within four weeks, or ask for further time.

SPECTATORS.

RULE 26. No person, except a member of the board, shall be permitted to occupy the seat of any member while the board is in session.

RULE 27. No persons, excepting members of the city council, heads of departments, and reporters, shall be allowed in the anteroom of the aldermanic chamber while the board is in session. No person shall be allowed to enter the aldermanic chamber while the board is in session, after the seats furnished for spectators are occupied. The city messenger shall enforce this rule.

LICENSES.

RULE 28. No licenses shall be granted for exhibitions of wrestling.

RULE 29. No permission to erect a pole or post for the support of electric wires, or, for the construction of underground conduits, shall be granted until a public hearing shall have been given by the board of aldermen on the application for such permission. The clerk of committees shall give notice of such hearing not less than three days before the date fixed therefor by causing to be delivered at each house upon that portion of the street in which permission to locate poles or conduit is asked, a copy of the petition for location, together with notice of the place and date fixed for hearing thereon. The expense necessary for delivery of such notices shall be borne by the applicant for permit.

RULE 30. Every license or permit hereafter granted for the location of a street-railway track, the erection of a pole or post, the construction of an underground conduit, the laying of a pipe or wire, or for the doing of any other work which may involve the disturbance of a surface of a street, shall specify the time within which the contemplated work shall be done, and shall not confer authority to do any such work after the expiration of such specified time.

SUSPENSION OF RULES.

RULE 31. Any rule may be suspended by vote of two-thirds of the members of the board present and voting.

RULES AND ORDERS OF THE COMMON COUNCIL.

RULE 1. Unless otherwise ordered from time to time, the regular meeting of the common council shall be held on every Thursday, at seven forty-five o'clock P.M., and, on the appearance of a quorum, the council shall be called to order. In the absence of the president the oldest senior member present shall take the chair, and a president *pro tempore* shall be chosen by ballot; and, if an election is not effected on the first trial, on subsequent trials a plurality vote shall elect.

The roll shall be called at each meeting of the council, the time of said roll-call to be at the discretion of the president, but not later than nine o'clock.

PRESIDENT.

RULE 2. The president shall appoint and announce all committees, unless otherwise ordered, and shall communicate his appointments to the council at the meeting following such action, if not made during a session. All vacancies upon committees shall be filled in the manner of original appointment; and members so appointed shall take rank according to the date of their appointment, unless otherwise designated by the president.

RULE 3. The president may at any time call another member to the chair, but such substitution shall not continue beyond an adjournment. In all cases the president may vote.

RULE 4. The president shall preserve order in the council chamber during sessions of the council, and in case any member or members, other than the one recognized by the chair, insist on occupying the floor for any purpose, except to rise to a point of order or question of personal privilege, he shall upon request of the president take his seat, and upon refusal to comply with such request, said member shall by a majority vote of the members present and voting be removed from the council chamber, such removal to remain in effect during the remainder of the session, unless otherwise ordered. The president shall forbid smoking in the council chamber.

CLERK.

RULE 5. The clerk shall keep a record of the acts, votes, and proceedings of the common council, and a separate record of all decisions of the chair upon questions of order. He shall have the care and custody of all papers belonging to this branch of the city council; and shall prepare a schedule of business in order for each meeting, in such manner as the president may direct.

He shall draw up and send all messages to the board of aldermen; and shall retain in his possession all papers until the right to file a notice of reconsideration has expired, and if such notice is made he

shall keep the papers pertaining thereto until the right of reconsideration has expired.

CONDUCT OF MEMBERS.

RULE 6. Except when otherwise provided, no member shall speak for more than fifteen minutes, and a further equal time if the council so vote. No member shall speak a second time on a question, if another member, who has not spoken, claims the floor.

RULE 7. No member speaking shall be interrupted by another, except upon a point of order.

Every member, while speaking, shall confine himself to the question under debate, and shall refrain from personalities, and shall not refer to any other member of the council except by a respectful designation; and no member shall speak or vote out of his place, without leave of the president.

QUORUM.

RULE 8. Whenever a member raises a doubt of a quorum being present, the chair shall ascertain and declare whether a quorum is present or not. For this purpose he may at his discretion, or on motion sustained by one-fifth of the members present, order the roll to be called. If there is no quorum present he shall declare the council adjourned.

COMMITTEES.

RULE 9. All matters relating to the election of members shall be referred to the standing committee on elections, which shall consist of five members.

RULE 10. There shall be a standing committee on judiciary, consisting of five members, who shall have the power to obtain the opinion of the corporation counsel on all matters that shall be referred to them.

RULE 11. All committees of this council shall be notified of their meetings by the clerk of committees. They shall not sit during sessions of the council without special leave, nor be called on less notice than twenty-four hours from the time the notices are mailed by the clerk or despatched by special messenger, unless all the members consent; and the clerk shall keep a record of their doings. The member first named shall be chairman, unless otherwise ordered by the committee, in which case the council shall be notified of the change; and the same rule shall apply to members serving on joint committees.

The absence of a member from three successive, duly called, meetings of any committee, except on account of sickness or absence from the city, proved to the satisfaction of the president, shall be deemed a resignation on the part of such member from such committee, and the vacancy caused by the resignation shall be filled by the president at the next meeting of the council.

The clerk of committees shall report at each meeting of the council all resignations effected by the preceding clause.

RULE 12. Special committees of the council shall consist of three members, unless otherwise ordered.

RULE 13. No report of any committee shall be received unless agreed to by such committee at a duly notified meeting thereof. Such report, when presented, may be ordered to be printed, and shall then take its place among the unfinished business for consideration at the next meeting.

COMMITTEE OF THE WHOLE.

RULE 14. When the council shall determine to go into a committee of the whole, the president shall appoint the member who shall take the chair.

RULE 15. The rules of proceedings in the council shall be observed in the committee of the whole, so far as they are applicable; but the previous question shall not be moved, and a motion to rise, report progress, and ask leave to sit again shall be first in order, and shall be decided without debate.

ORDER OF BUSINESS.

RULE 16. At every meeting of the council the order of business shall be as follows:

First. Reading of the records of the preceding meeting, if called for by a majority of the members present.

Second. Messages from his honor the mayor, reports of city officers, and other communications addressed to the council.

Third. Papers from the board of aldermen.

Fourth. Reports of committee on finance.

Fifth. Reports of committees, which shall be called for by divisions in numerical order.

Sixth. Motions, orders, and resolutions. Orders and resolutions shall be read once, and upon motion, referred to their appropriate committees or assigned to the next meeting. If no objection is made, or the rules are suspended, orders and resolutions may, at the time they are offered, be given a second reading and passed. All orders relating to heads of departments shall, unless otherwise ordered, be referred to the mayor.

Seventh. Unfinished business of preceding meetings.

Eighth. Notices of motions for reconsideration. (See Rule 35.)

Ninth. Motions, orders, and resolutions, which shall take the same course as provided in the sixth section of this rule; *provided, however*, that not more than thirty minutes shall be allowed for the presentation of papers under the sixth order of business. Papers shall be called for by divisions in numerical order, and only one member in a division shall be recognized until each division has been called.

RULE 17. All papers addressed to the council shall be presented by the president, or by a member; and, unless the council shall otherwise determine, they shall be read by the president, or such other person as he may request, and be taken up in the order in which they have been presented.

RULE 18. All ordinances, orders, and resolutions shall, unless rejected, have two several readings, after each of which debate shall be in order, and they shall then be put on their passage. Whenever the second reading immediately follows the first, the document may be read by its title only.

RULE 19. No ordinance, and no order or resolution imposing penalties, or authorizing the expenditure of money, shall have more than one reading on the same day; but this rule shall not apply to an order to print a document.

MOTIONS.

RULE 20. Every motion shall be reduced to writing, if the president shall so direct, and no other motion shall be entertained until a reasonable time be afforded for compliance with such direction.

RULE 21. In naming sums and fixing times, the largest sum and longest time shall first be put to the question.

RULE 22. When a question is under debate the president shall receive any of the following motions, but no others:

1. To adjourn.
2. To lay on the table.
3. The previous question.
4. To close debate at a specified time.
5. To assign to a time certain.
6. To amend.
7. To refer to a committee.
8. To refer to another board.
9. To postpone indefinitely.

These several motions shall not be applied to each other, except that the motion to assign, amend, refer, or to close debate at a specified time, may be amended; and the previous question may be demanded upon an amendment, which motion shall be decided without debate. When one of these motions has been made, none of the others, inferior to it in precedence, shall be made, and, in proceeding to vote, motions pending shall be put in the order of their rank, as above arranged. No motion or proposition of a subject different from that under consideration, shall be admitted under color of amendment.

RULE 23. When a matter has been assigned to be taken up at a fixed hour, or at a certain stage of proceedings, such matter shall, at the time appointed, or at any time subsequent thereto, during the same or succeeding meetings, be in order upon the call of any member, and take precedence of all other business.

RULE 24. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any

subject, and different committees are proposed, the motion shall be put in the following order:

A standing committee of the council.
A special committee of the council.
A joint standing committee.
A joint special committee.

RULE 25. A motion to adjourn shall always be in order, provided business of a nature to be recorded on the journal has been transacted since a motion to adjourn was rejected; and such motion shall be decided without debate.

RULE 26. Debate on a call for the previous question, or on a motion to close debate at a specified time, or on a motion to lay on the table or take from the table, shall not exceed ten minutes, and no member shall speak more than three minutes. In such debate, however, the merits of the main question shall not be discussed.

RULE 27. Any member may require the division of a question when the sense will admit of it; and any member may move at any time for the suspension of any rule or rules.

PREVIOUS QUESTION.

RULE 28. The previous question shall be put in the following form: "*Shall the main question be now put?*" and all debate upon the main question shall be suspended until the previous question has been decided.

RULE 29. When the previous question is ordered, the vote shall be taken upon all pending amendments, and finally upon the main question.

RULE 30. All incidental questions of order, arising after a motion is made for the previous question, shall be decided without debate, except on an appeal; and on such an appeal no member shall be allowed to speak more than once without leave of the council.

APPEAL.

RULE 31. No appeal from the decision of the president shall be entertained unless it is seconded; and no motion but to adjourn shall be in order till the question on appeal has been decided. The question shall be put as follows: "*Shall the decision of the chair stand as the judgment of the council?*" And it shall be deemed to be decided in the affirmative, unless the majority of the votes given are to the contrary.

VOTING.

RULE 32. If the president is unable to decide, or if any member doubts a vote, the president shall cause a rising vote to be taken on the question, without further debate. The president shall appoint two tellers for each division of the council, as fixed by him, who shall agree on a count, and report the result aloud to him.

RULE 33. A motion that any pending vote shall be taken by yeas and nays shall be in order at any time, and no debate shall be allowed thereon, but it shall be passed by the assent of one-fifth of the members present. Every member present shall answer to his name unless excused before the vote is taken.

RULE 34. After the announcement of a vote not taken by yeas and nays, any member may vote for a verification thereof by yeas and nays, and on such motion a debate of the original question, not exceeding five minutes, shall be permitted; and the yeas and nays shall be taken, provided one-fifth of the members voting shall so require.

RECONSIDERATION.

RULE 35. When a vote has been passed, any member may move a reconsideration thereof at the same meeting, either immediately after the announcement of such vote, or whenever motions are in order; or if any member, who is not shown by a yea and nay vote to have voted against the prevailing side, shall give notice to the clerk, before 10 o'clock A.M., of the next day but one following that on which a meeting was held (except the final meeting of the year, or that preceding any adjournment for over two weeks), of his intention so to do, he may move a reconsideration at the next meeting at which said motion is reached in the order of proceedings.

RULE 36. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. Whenever a matter has been especially assigned, a notice, as above specified, to reconsider any vote affecting it shall be considered whenever such special assignment takes effect.

RULE 37. When a motion for reconsideration has been decided, that decision shall not be reconsidered, and no question shall be twice reconsidered unless it has been amended after the reconsideration; nor shall any reconsideration be had upon either of the following motions:

To adjourn.
The previous question.
To lay on the table.
To take from the table.
To close debate at a specified time.

RESCINDING VOTES.

RULE 38. After a vote has been refused a reconsideration, it shall not be rescinded unless two-thirds of the whole number of the members of the common council vote in the affirmative.

ELECTIONS.

RULE 39. All elections of city officers by this branch shall be held in accordance with the provisions of chapter 170 of the Acts of the year 1899.

SEATS OF MEMBERS.

RULE 40. No person except a member of the council shall be permitted to occupy the seat of any member while the council is in session. The seats of the members of the council shall be numbered, and shall be determined, in the presence of the council, by drawing the names of members and the number of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number so drawn against his name, and shall not change it, except by the permission of the president.

SPECTATORS.

RULE 41. The city messenger shall allow no person upon the floor of the council chamber, or in either of the anterooms, except members of the city government, heads of departments and reporters, without the permission of the president; and, while the council is in session, no person except members of the city government, heads of departments and reporters, shall be allowed in either of the anterooms on the easterly side. The president shall order such accommodations on the floor for reporters and spectators as he shall deem proper; *provided, however*, that no spectators shall be seated behind the members of the council.

RULE 42. The council chamber shall be used for meetings of the council only, unless by special vote of the common council; *provided*, that during the summer recess the president may allow the chamber to be used for public purposes, in all cases reporting his action to the council at its next meeting. The anteroom and large committee-room on the east shall be subject to the same rules, except that the president may allow committee meetings to be held therein at times when the council is not in session. The clerk's room shall be assigned to the clerk of the common council for occupancy and use. The anteroom between the council chamber and the clerk's room shall be used during the meetings of the council to give access to the seats on the floor, and for such other purposes as the president may direct; *provided*, that smoking there shall not be allowed on the part of visitors. The general care and supervision of these rooms are hereby intrusted to the city messenger, subject to the direction of the president; but no expenditure of money shall be made except by direct vote of the common council.

PARLIAMENTARY PRACTICE.

RULE 43. The rules of parliamentary practice as contained in Cushing's "Law and Practice of Legislative Assemblies" shall govern this council in all cases to which they are applicable, and in which they are not inconsistent with these rules or the joint rules of the city council.

REPEAL.

RULE 44. The foregoing rules shall not be altered, amended, suspended or repealed, at any time, except by the votes of two-thirds of the members of the common council present and voting thereon.

The Trustees of the Public Library of the City of Boston, who are five in number, are appointed by the Mayor, one each year, for a term of five

years. They were incorporated by an act of the General Court passed April 4, 1878, and are authorized to receive and hold real and personal estate which may be given, granted, bequeathed or devised to the said corporation, to an amount not exceeding $1,000,000. The first Trustees were appointed under an ordinance of October 14, 1852. The old Library Building on Boylston street was opened to the public in September, 1858, and closed finally in January, 1895. The new Library Building on Copley square was first opened on March 11, 1895. The Library is maintained by an annual appropriation voted out of the general funds of the City by the City Council. About $28,000 was used in 1900 for the purchase of books and periodicals. The Library also holds trust funds aggregating $276,150, the interest of which is devoted to the purchase of books.

The annual reports, the first of which appeared in 1852, have been continued without interruption.

Of the Quarterly Bulletins, which were begun in 1867, fourteen volumes have been published. The series closed in 1896.

A Monthly Bulletin is now issued. The trustees have issued also general and special catalogues of the Central Library, and of its branches and special collections, as well as hand-books for readers, and other documents.

LIBRARY SYSTEM.

The Library system consists of the Central Library in Copley square; ten branch libraries with independent collections of books; twenty stations, all of which contain deposits of books from the Central Library, while seven contain deposits, reference books and periodicals and are classed as reading-rooms. Excluding the twenty stations, there were, on February 1, 1901, in the Central Library and Branches, including the evening and Sunday service, 327 employees.

Between the Central Library and these thirty stations, by Library wagons and local expresses, there is a daily exchange of books and cards, whereby persons living in outlying districts can draw books from the Central Library without the necessity of coming in person.

The delivery or deposit of books is also undertaken in twenty-one schools, six reformatory institutions, twenty-nine fire-company houses, and in certain vacation schools and sand gardens.

Cards allowing the use of two books without restriction as to class, for two weeks, are issued to all residents of Boston with no further attendant delay than is involved in identification. No guaranty is asked, except in case of a sojourner. Such cards are also issued to non-resident pupils attending Boston schools who furnish guaranties. For reading and reference the Library is open to all without formality. Special cards for more extended privileges are issued to clergymen officiating in the City, and to teachers giving instruction in Boston institutions of learning; a special card is also issued in certain cases by the Trustees. On February 1, 1901, there were 65,540 card-holders

having the right to draw books for home use. The total number of volumes was 781,377, of periodicals currently received, 1,761. Books issued in 1900, for home use, numbered 1,324,728; of reference use, on account of the freedom with which books may be consulted, no adequate statistics are kept.

The Arnold Arboretum was enlarged in 1895 by the addition of about 68 acres of the Bussey land on Peters' Hill, belonging to Harvard College, and the name Bussey Park was added to the title. All the land in these tracts not needed for driveways and walks, a quarry reservation and traffic road, was leased to Harvard College, to be used only for the purposes of an arboretum under the trusts created by the wills of Benjamin Bussey and James Arnold. WARDS.

New wards were established for the city in the year eighteen hundred and ninety-five, the first division into new wards since the year 1875.[1] An attempt was made by the City Council to make a new division of wards in the year 1885, and an ordinance to that effect was prepared by a special committee appointed for the purpose and passed by the City Council, and approved by the Mayor.[2] Certain questions were raised, however, in the General Court of 1886, relative to establishing State, senatorial and representative districts, and as to whether such districts should be established according to the territorial boundaries of cities and towns and their wards as they existed on the first day of May, 1885, or whether new ward lines, as in the case of the city of Boston, should be followed. On May 21, 1886, the opinion of the Justices of the Supreme Judicial Court was asked by the Legislature on this matter, and they decided that the district divisions referred to must be made according to territorial and other boundaries existing on the first day of May, 1885, and that the new ward divisions were illegal.[3] On account of this opinion of the Justices of the Supreme Judicial Court, an act was passed by the Legislature in June, 1886,[4] which provided that the several wards, precincts, and assessment districts of the several cities of the Commonwealth, existing May 1, 1885, should be established as the wards, precincts, and assessment districts of said cities, any acts or ordinances of the city councils of said cities to the contrary notwithstanding. The new division of wards was thus set aside and the ward lines established in 1875 remained in effect until they were changed in 1895, and established under the provisions of Chap. 417, of the Acts of 1893, as follows:

WARD ONE.

Beginning at the intersection of the Harbor Commissioners' line and the division line dividing the property of the Alonzo Crosby heirs and Richard F. Green; thence by the Harbor Commissioners' line to the

From the fiscal year 1885-86 to the fiscal year 1899-1900, inclusive, the City could make annually appropriations, to be met by the general revenue of the City and by taxes, to the amount of the interest and sinking-fund requirements, to the amount of the County expenses up to $425,000, and to the further amount of $9 on each $1,000 of the average of the assessed valuations for the preceding five years, the valuation for each year being decreased by all abatements allowed to, and including, December 31 of the year preceding.

During the fiscal year 1900-1901, the Legislature passed an act (Stat. 1900, Chap. 399) repealing the laws of 1885 and 1887 (Stat. 1885, Chap. 178, and Stat. 1887, Chap. 281), and authorizing the City Council to make appropriations annually to the amount of the interest and sinking-fund requirements, to the total amount of County expenses, and to the further amount of $10.50 on each $1,000 of the average of the assessors' valuations for the preceding three years, reduced by all abatements allowed to December 31 of the year preceding. As the law went into effect in June, 1900, it increased the amounts that could be appropriated for that year as follows: Taxes for County purposes from $425,000 to $1,002,500, or $577,500; taxes for general purposes from $9,063,156 to $10,912,823, or $1,849,667. Of the total increase, $2,427,167, the amount of $1,611,710 was appropriated by a supplementary appropriation bill.

NOTE. — The receipts from work undertaken under the Acts authorizing loans for the "Laying-out and Construction of Highways," and for "Rapid Transit," are applied to the payment of interest on these loans respectively, and the balance, if any, paid to the Sinking Fund Commissioners. When the receipts are insufficient to meet these payments, the interest is met from receipts from sales of bonds. The following amounts have been paid for interest:

	Amount paid for Interest.
1891-92.....	$1,000 00
1892-93.....	2,777 40
1893-94.....	23,381 42
1894-95.....	47,746 06
1895-96.....	112,108 00
1896-97.....	209,800 19
1897-98.....	267,796 97
1898-99.....	327,507 72
1899-1900.....	377,410 17
1900-1901.....	427,853 35

In making up the above tables, these amounts have been included in the Summary Table (debt of all kinds), but omitted from the table showing the City Debt. This was done in order to show in the latter the "City Debt Requirements," that is, the amount of interest and sinking fund payments met from the tax levy. To obtain the total payments for interest and to the Sinking Fund Commissioners on account of the principal of the debt, the above amounts should be added in the respective years to the totals as shown in the table, City Debt. The amount of revenue received from betterments and sales of property and credited to the Sinking Fund Commissioners is not shown in these tables.
